### Thanksgiving 2017: We are Family

---

#### **A Message from Sheriff Vicki Hennessy**

This Thanksgiving, we are grateful to the San Francisco Sheriff's Department sworn and civilian staff for their commitment, responsiveness and professionalism.

Our dedicated deputies, supervisors, command staff, non-sworn colleagues and partners keep the jails operating 24/7/365, safely, securely and humanely, while protecting our public safety.

#### **Celebrating Success**

Last month, we honored 70 sworn SF Sheriff's Department peace officers at a formal ceremony in City Hall for officer promotions they had earned over the last three years.

Behind the pomp and circumstance is a multi-generational family event. Spouses, children, grandparents, cousins, aunts, uncles and friends filled the City Hall Rotunda to celebrate their loved ones' success.

**L to r: Sgt. Versher, Sgt. Washington, Sgt. Martin and Lt. Haynes**

**Welcoming the Next Generation of Sheriffs**

During 2017, we also welcomed 64 new deputy sheriffs, some of whom are second and third generation San Francisco deputy sheriffs, which speaks to the tradition and commitment we share.

Happy Thanksgiving to you and yours. #WeAreFamily.

Sincerely,

Vicki Hennessy  
Sheriff
